Preparation for Residential Cockroach Extermination

- All contents in kitchen and bathroom cabinets need to be removed and placed on tables and covered with sheets.
- All counter tops must be cleared.
- Everyone must vacate premises for two to four hours.
- All pets must vacate premises as well.
- Fish tanks need to be properly covered and air pump needs to be switched off.
- Wipe down all counter tops after extermination.

My Pest Control Co would like to thank you for your business and we look forward to servicing you soon.
