Preparation for Bed Bug Extermination

- Remove all bedding from bed and wash in hot water and dry on high.
- Pick up anything on floors including clothes, toys, etc.
- Take all dresser drawers out of dresser and put in middle of floor. Cover with blanket or trash bag.
- Put all food in cabinets or refrigerator. Do not leave any food out on counters or tables.
- Put toothbrushes in medicine cabinets.
- All pets must leave premises for 2 hours.
- Fish tanks must be covered and pumps shut off.
- Pet birds need to be off the premises for 24 hours.
- Everyone must vacate the premises for 2 to 4 hours (4 hours is necessary for people with respiratory problems).
- Vacuum bottom of box springs and couches before and after treatment.
- Vacuum floors before and after treatment and over and over again. Premises should be vacuumed three times per week and bag should be thrown away or emptied every time.
